The small room downstairs has been completely redecorated and some of the furniture has been refinished. The Board is in the process of selecting new light fixtures to replace the very inadequate ones we now have, as it has not been possible to get workmen when we wanted them and the bills for redecorating have not come in. Also there are a few odd jobs still to be finished, this will explain why we appear to have the extra $200.00 which we asked for last year.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Rumney qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the seventh day of March, 1953, at one o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the District will vote to build and equip a new elementary school building and to purchase any land which may be necessary therefor, and for such purpose to appropriate a sum not exceeding $85,000.

10. If Article No. 9 as above is adopted to see if the District will vote to borrow in the name of the District by the issue of serial bonds, as provided in Chapter 72, Revised Laws of 1942 and any amend-

ments thereto or revisions thereof, a sum not exceeding $85,000. for the purpose specified in Article No. 9, and to authorize the school board to determine the time and place of payment and rate of interest on said bonds, and to do whatever may be necessary to the issuance thereof.

11. To elect by ballot, after nominations from the floor, five (5) members of a School Site Committee consisting of one (1) member from each of the five sections of the Rumney School District, said committee to select a proper site for the construction of a new elementary school building, the decision of a majority of the members of such Committee to be binding on the Rumney School District.

12. To see if the District will vote to remodel and reconstruct the Depot and Village school buildings and to provide the necessary equipment and furnishings therefor, and for such purpose to appropriate a sum not exceeding $50,000.

13. If Article No. 12 as above is adopted to see if the District will vote to borrow in the name of the District by the issue of serial bonds, as provided in Chapter 72, Revised Laws of 1942 and any amendments thereto or revisions thereof, a sum not exceeding $50,000 for the purposes specified in Article No. 12, and to authorize the school board to determine the time and place of payment and rate of interest on said bonds and to do whatever may be necessary to the issuance thereof.

14. To see if the District will vote to elect after nominations from the floor, five (5) members of a School Building Committee, with authority to confer and advise with the School Board in the procuring of plans and specifications for, contracting for and supervising the remodeling, reconstruction, equipment and furnishing of existing school buildings, or the construction, equipment and furnishing of any new school building.

15. To see if the District will vote to authorize the School Board to receive any grants and aid from the Federal Government and any of its agencies and from any private agency or agencies, to aid in the construction and equipment of additions to present school facilities within the District and/or in the construction and equipment of any new school building and the purchase of any land which may be necessary to locate such building.

16. To transact any other business that may legally come before said meeting.

Given under our hands at said Rumney this third day of February, 1953.

SUPERINTENDENT'S ANNUAL LETTER

To the Rumney School Board:

My tenth annual report submitted herewith presents a brief discussion of those topics which may be of interest to the people of Rumney. Statistical information is brief, but any information which is desired beyond that presented in this report will be furnished on request.

During the summer Mrs. Mildred Potter asked to be relieved of her teaching duties in grades 5 & 6 of the Depot School in order to accept an appointment in Plymouth. Her request was granted with regret. Mrs. Amy B. Merrill of Plymouth was employed to fill the position vacated by Mrs. Potter.

The building committee, appointed at the District Meeting last March, has held several meetings and has assembled much information regarding Rumney Schools. Mr. Paul E. Farnum of the State Department of Education has given valuable assistance. He has met with the committee to discuss our school situation and has made preliminary sketches based on some of the discussions. The committee, aided by Mr. Farnum and architects who have offered to submit preliminary sketches, should be able to lay a fairly definite proposition before the voters at the March 1953 meeting.

The recommendation of the committee is not known to me at this time. However, it seems proper to advise that moderate differences in cost should not influence voters to adopt a program that may prove to be more or less temporary and eventually unsatisfactory.

Transportation contracts are awarded for a term of three years. One such contract was awarded effective at the opening of school in September 1952. The school districts would undoubtedly get their transportation on more favorable terms if five-year contracts could be awarded. This cannot be done because

of a ruling by the Attorney General that school districts may not enter into contractual agreements that extend beyond the period for which school board members are elected, namely three years.

New assignments of pupils to schools were voted by the board effective at the opening of school in September. Pupils of grades 5 & 6 at Montview were assigned to the Depot School. Some pupils who would formerly attend grades 1 to 4 in the Village School were assigned to Montview. By these assignments the teacher at Montview has only 4 grades in her school, and some relief from the overcrowded condition in the Village School was obtained.

Two major improvements were made during the summer of 1952 for the comfort and convenience of Rumney pupils. A new heating system in the Village School maintains more even and satisfactory temperature. Every child in Rumney is this year using a new desk and chair purchased directly from the Paris Mfg. Co. in South Paris, Me. When and if Rumney provides a centralized school, this new furniture will be available for immediate transfer.

Considerable interest has been shown in visual education, and as this report is being written, it seems very likely that our schools will be provided with film strips and projectors. A similar interest is being shown in other school districts in this supervisory union. This all suggests the desirability of a workshop in the use of audio-visual teaching material in order that we may use our new equipment to the best possible advantage.

For several years past our spelling results in Rumney have not been good. The same report is true for state and national experience. In order to correct this condition, a gradual change of textbook material was begun this year. Grades 2 and 3 were provided with new spellers. It is our plan to extend that system two grades per year until all grades from 2 through 8 are provided with the new books. Another change was

also begun this year. Instead of teaching history and geography as two separate subjects, we have begun the use of a unified program which at once saves us some time and shows children the relationship between history and geography. The new textbook series provided for grades 3 and 4 will be extended throughout the schools two grades per year.

In conclusion I wish to commend the Rumney School Board members for their cooperative interest and work for Rumney Schools, the teachers for their excellent work, and to all others who have helped achieve whatever measure of success that has been recorded.

Respectfully submitted,

ARTHUR S. ROLLINS

REPORT OF SCHOOL NURSE

To the Rumney School Board:

I herewith submit my report as School Nurse which covers the period of the School Year 1951-1952. 142 children were weighed, measured and inspected and symptoms of these defects were found:

Dental	51
Tonsils	14
Vision	16
Nutrition	6
Hearing	11

These corrections of defects were reported:

Dental	52
Tonsils	5
Vision, new glasses and lens changed	9

Nineteen children attended the three toxoid clinics held at the Grange Hall under the auspices of the State Board of Health.

Two children had glasses through the Sight Conservation Program of the State Public Welfare.

Two children had dental work done through the Red Cross.

The children's hearing was checked with the audiometer and 11 children were advised to see their physicians.

With the exception of chicken pox and colds occurring in the winter months, the attendance was very good.

I take this opportunity to thank the School Board, Superintendent Rollins, parents, teachers and pupils for their interest and help.

Respectfully submitted,

ANNA M. LOVETT, R.N.
